

## **HOW IT STARTED**

=====

It all started at a Garage, when three friends used to meet on a Saturday morning, they used to get together and have a morning butty and banter.

Then one day a Sapper brought a BV206 military tracked vehicle in for some work doing to it, as he was looking for someone who knew about military vehicles. Once the vehicle was there it generated interest in mates getting together, lads from an old army unit whilst looking at the tracked vehicle.

Then after that, it started by word of mouth, first to someone in Newcastle who was visiting Hull, then it grew from there.

Since the start of the first Butty & Banter Club it has grown to worldwide, with clubs in multiple countries.

## **HOW COMES IT SPLIT**

=====

It split after there was financial irregularities with the CIC Company (Company Number 10251007), when it was pointed out to the Director that Beers were been sold at clubs and the money was unaccounted for (at the time nearly £600), he did not deal with the issue or mention it to the person in question, in his words "I didn't mention it...., I don't want to yet.."

It was at this point that Dave Williamson asked for advice from the Treasurer of the Breakfast Club and joint decision were made by David Williamson and others (5 in total) at the Breakfast Club not to be involved with a company which was not open and transparent and a Director who was not interested in protecting Veterans Funds.

Veterans Breakfast Clubs CIC (Company Number 11161286) currently own the Logo (which was signed over in front of witnesses), Domain Names (.com, .co.uk and .org) and the Twitter account.

Since the 3rd March 2018 (when the paperwork was signed) the Logo belongs to Veterans Breakfast Clubs CIC (Company Number 11161286, Trading Name - Armed Forces & Veterans Breakfast Club),

After the false/malicious allegations have been and continue to be spread by the Director and his partner (to cover what the truth is) the police are investigating all allegations. A solicitor's letter has been sent and a visit from the police in attempt to stop the spreading of these false/malicious allegations. We are now running the AFVBC as it should be run "BY Veterans FOR Veterans" NOT by veterans for the few.

After a police investigation it was found that there was no case to answer by any of the Directors on the new CIC (Company Number 11161286), the case was closed on the 22<sup>nd</sup> August 2018 following the decision on the 13<sup>th</sup> August 2018. We are currently in discussion with different organisation about what action can be taken against those who made the false/malicious allegations.

## **BUSINESS INTERESTS & CHARITIES**

=====

The main aim of the Breakfast Clubs is the welfare of its members and NOT for financial gain by ANY person/organisation. If a member needs financial support, then to some extent this may be possible through their local Breakfast Club or the CIC to a certain extent.

Even though we try to keep business interest and charities away from Breakfast Clubs this is up to each individual club to make their own decisions as each club is run separately and by its members not the CIC. The CIC is here to produce the guidelines for how clubs should be run not the rules of how clubs should be run, it is run "By Veterans for Veterans" NOT "By Veterans to fill the pockets of the few".

To raise funds a local club nearby does bus stops etc, this allows them to gain funds to have a Summer Ball or Christmas/New Year Ball, it is up to the individual if they participate or not as there should be NO FORCED selling or making members feel guilty if they do not wish to participate.

Each Breakfast Club is run by an administrator(s) in their free time. It is up to those administrators who attend whether it be families/carers of veterans or just veterans, but it has been found to be more helpful if families/carers can attend as some members may wish to bring them along when they first attend, as it would make them feel more at ease.

## **BREAKFAST CLUBS EXPLAINED TO PUBLIC**

=====

In the military everything is available in one place medical, social, welfare system, your home, wage, clothing and the team you have come to trust. You are trained to do a job, but if you lose that job then your whole life needs to change, unlike civilian life. If you lose your job, you simple look for another one, in the military because you are trained/conditioned for a single purpose you lose your job in the military you lose everything.

As more and more people are leaving the Forces some with PTSD or other illnesses it has come down to the Government to pledge "that together we acknowledge and understand that those who serve or who have served in the armed forces, and their families, should be treated with fairness and respect in the communities, economy and society they serve with their lives."(<https://www.armedforcescovenant.gov.uk>)

All services are represented at the Breakfast Clubs and no one should be discriminated against, if they have served or are associated with such then they may be able to attend a Breakfast Club. The military have a 'black sense of humour' so when attending the visitor may have to cope with this, as the Breakfast Clubs are worldwide then even some members are attending whilst on holiday.

## **BREAKFAST CLUBS AND WHAT THEY DO**

=====

The Breakfast Clubs are for groups of service personnel and veterans of H.M Forces to attend to have a Butty & Banter (Breakfast and Drink).

There should be no financial gain by ANYONE from a Breakfast Club, there are no rules, subs, fees, the only thing a person should pay for is their Breakfast.

This allows members to get together and have a bit of squaddie banter and a butty without having to explain themselves as some civilians do not have the same sense of humour.

A local club also gets together during a weekday to meet socially and go to other events in the area.

The main aim is to get members who have served talking to someone who may have gone through the same experiences they have without feeling the person does not know what they are talking about.

## **STARTING A BREAKFAST CLUBS**

=====

To start a Breakfast Club, it is important that you are a Veteran or serving member of H.M Forces or partner/relative to someone who is, and they can assist you. Breakfast Clubs are created for veterans by veterans and are not a charity or a business, it is a Community Organisation run "BY VETERANS FOR VETERANS" and no funds/monies should be paid for membership or subs.

Each Breakfast Club is independent, and the group should be run by your members for the benefit of your members, you can do as much or as little as you want because what you put into your group will help it grow and it will interest more members and pull more veterans into attending.

The AFVBC organisation is setup so there are Regional Admins, these admins will help your setup a Breakfast Club and point you in the right direction of what has worked for them and what has not worked for them. The only thing we ask is that we all maintain the one thing in common and that is we all use the same "Corporate Brand/Identity" and run by the same principles as when we all served: -

- a) The Breakfast Clubs are not a business/charity and should be run so there is no financial gain to any person/organisation, if this is the case then you should let the members know and the National Administrators, they should be run "BY Veterans FOR Veterans".
- b) There should be no prejudice or different treatment of any member due to race, sex, physical ability, age or ability, ANY bullying/harassment by ANY person may result in been removed from the National Organisation.
- c) The Breakfast Clubs are for veterans and anyone who tries to impersonate a veteran or serving member of H.M Forces will be asked to provide further information about their service, we DO NOT tolerate 'Walt's' and we will exclude, expose and block that person from attending any other Breakfast Club.
- d) Sometimes non-veterans are accepted but this is under the agreement of the Breakfast Club Admins, they should remain as a guest and should not be consulted when it comes to making decisions on how the Breakfast Club should be run this is down to the Veterans and the Admins of the Breakfast Club.

- e) The humour which is tolerated whilst serving is different to what civilians like/know, any post or comment which is not politically correct or offends you allows you to make one of three options:
  - a. You can report it to the page admin. (If we think the post does cross the boundaries or falls on the side of point b, then we will act against that member)
  - b. Don't read it.
  - c. Leave.
- f) There are always a few things which should not be discussed because they always cause arguments these are politics and religion these are your views and should be your own business you can have political views but do not express them and do not try to force your views onto others.

#### VENUE

-----

To start a Breakfast Club you need a venue, you should look at the map (<https://afvbc.com/location>) and see if there is another club nearby and what day/time it is running, you should then set your club up on a different day/time, this gives members a chance to visit more than one club.

#### FREQUENCY

-----

How often you have your club depends on its members, some members may find it beneficial to meet every week or even every 2 weeks or like a club nearby they meet the First and Last Saturday of the month.

#### FACEBOOK

-----

This will be set up for you and your club will be listed on the website, the logo is placed on the Facebook page and this can be used for NON-COMMERCIAL use only, if you need to purchase anything this can be done through the AFVBC Shop (<https://shop.afvbc.com>). Unlike other groups all we would like is for one of our Admins to be on the Facebook page as a member (NOT an ADMIN) this would allow us to post any new items/products which are in the shop. The Facebook Group is your group and you run it as you feel fit (providing you stick to the principles above) we will help by advertising your group on the website and pointing people in that direction.

We have 3 Facebook Pages/Groups and NO Secret Meeting Groups/Pages these are:

<https://www.facebook.com/ArmedForcesVeteransBreakfastClubs> - this is the public page of the AFVBC and anyone can see it, we would suggest you post any press/events in this group to help advertise your club.

<https://www.facebook.com/groups/AFVBC.ADMINS> - this is for club Admins, so any problems or queries can be asked, and other Admins may be able to help you

<https://www.facebook.com/groups/AFVBC> - this is for members from all groups so if they want to be on the national group and their club group then it is there to help them.

When we create your Facebook Group it will be set to "closed group" this gives that extra security to your members as it only allows members to see what is been posted/shared, when someone new applies to join it is the Admins job to look at their profile to check if they have or are a serving member of H.M Forces. You can use the invite button on your Facebook Group to invite your members and this will allow them to get to know each other so when they attend a meeting they are not strangers, we would

recommend that any new members are introduced to the Admins this will allow them to know who to speak to if there are any problems.

As you are aware there are many organisations out there which class themselves as charities we are NOT one of them, the AFVBC is run 'BY Veterans FOR Veterans' and is not a money-making scheme for any individual person/business or organisation. It is up to the Veterans of the Club to decide if you allow any of the hundreds of charities to attend and talk to them, but they should not be allowed to turn up and pressure your members into purchasing from them.
